

1: Identification

GHS Product identifier CPCx Mouthwash

Other means of identification Not applicable.

Recommended use of the chemical and restrictions on use Mouthwash.

Recommended for adults and children 6 years and over.

Supplier's details OraVital Inc., 32 Wilfrid Avenue, Toronto, Ontario, Canada, M4S 2J2

Telephone: 1-800-909-6468, E-mail: info@Oravital.com, Website: www.oravital.com

Emergency phone number (24h) CANUTEC*: 1-888-CAN-UTEC (226-8832),

VelocityEHS* Accelerate Emergency Response Service (formerly ChemTel):

1-800-255-3924, outside US & Canada, 1-813-248-0585

* See Section 16

2: Hazard identification

Classification of the substance or mixture This product is a personal care consumer product that is safe for consumers with intended and reasonably foreseeable use, suitable for commercial use.

Physical hazards None.

Health hazards None.

Environmental hazards None.

WHMIS 2015 defined hazards Not classified.

GHS label elements including precautionary statements Not applicable.

Other hazards which do not result in classification

WHMIS 2015: Health hazards not otherwise classified Not applicable.

WHMIS 2015: Physical hazards not otherwise classified Not applicable.

3: Composition/information on ingredients

All ingredients in the mixture fall below the (GHS) cut-off concentration limits for reporting.

4: First-aid measures

Description of necessary first-aid measures

Inhalation If symptoms develop, move victim to fresh air. If symptoms persist, obtain medical attention.

Skin contact No adverse effects expected. If contact occurs, rinse thoroughly with water.

Eye contact Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Ingestion Do not induce vomiting. If vomiting occurs naturally, have victim lean forward to reduce risk of aspiration. Rinse mouth. Obtain medical attention.

Most important symptoms/effects, acute and delayed None identified.

Indication of immediate medical attention and special treatment needed

If you feel unwell, seek medical advice and show the label where possible. Ensure that first aid responders are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance. Keep out of reach of children.

5: Fire-fighting measures

Suitable Extinguishing Media For a nearby fire: use dry chemical, foam, water or CO₂.

Unsuitable extinguishing media Not available

Specific Hazards Arising from the Mixture

Fire Hazard Not applicable.

Explosion Hazard Not applicable.

Reactivity Will not occur under normal conditions.

Special protective actions for fire-fighters Keep containers cool with water spray.

6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

Non-emergency personnel For accidental spills of the this liquid product, personal protective equipment is not normally required when handling the material. See Section 8 of the SDS.

Emergency responders For accidental spills of the this liquid product, personal protective equipment is not normally required when handling the material. See Section 8 of the SDS.

Environmental precautions Not applicable.

Methods and materials for containment and cleaning up This product is compatible with all glove materials (PPE). There are no inappropriate containment measures of clean up processes.

7: Handling and storage

Precautions for safe handling Not applicable

Conditions for safe storage, including any incompatibilities Keep container closed. Keep at room temperature.

8: Exposure controls/personal protection

Control parameters Not available.

Appropriate engineering controls This product is a personal care consumer product that is safe for consumers with intended and reasonably foreseeable use, suitable for commercial use.

Individual protection measures, such as personal protective equipment (PPE) Not normally required.

Eye/face protection Not normally required.

Skin protection Not normally required.

Respiratory protection Not normally required.

Thermal hazards Not applicable.

9: Physical and chemical properties and safety characteristics

Physical state	Clear liquid
Colour	Pale blue
Odour	Mint
Melting point / freezing point	Approximately 0°C
Boiling point	Not available (N/Av)
Flammability	Not applicable (N/Ap)
Lower and upper explosion limit / flammability limit	N/Av

Flash point	N/Av
Auto-ignition temperature	N/Av
Decomposition temperature	N/Av
pH	6.0 – 7.0
Kinematic viscosity	N/Av
Solubility	Soluble in water
Partition coefficient: <i>n</i> -octanol/water (log value)	N/Av
Vapour pressure	N/Av
Density or specific gravity	1.015
Relative vapour density	N/Av
Particle characteristics	N/Av

10: Stability and reactivity

<i>Reactivity</i>	Not reactive under normal conditions.
<i>Chemical stability</i>	Stable under normal storage, handling and transportation.
<i>Possibility of hazardous reactions</i>	Hazardous reactions will not occur under normal conditions.
<i>Conditions to avoid</i>	Avoid extremely high or freezing temperatures to maintain product integrity.
<i>Incompatible materials</i>	Strong acid and alkaline materials. Strong oxidizing and reducing agents.
<i>Hazardous decomposition products</i>	Will not occur.

11: Toxicological information

<i>Information on the likely routes of exposure</i>	
<i>Ingestion</i>	Oral toxicity is not expected, but may cause stomach distress, nausea, or vomiting. Contains 0.05% w/w cetylpyridinium chloride.
<i>Skin contact</i>	Not expected to be irritating or sensitizing.
<i>Eye contact</i>	Contact may cause mild, transient irritation.
<i>Inhalation</i>	Not applicable.
<i>Symptoms related to the physical, chemical and toxicological characteristics</i>	Not available.
<i>Delayed and immediate effects and also chronic effects from short and long term exposure</i>	Not available.
<i>Numerical measures of toxicity</i>	Not available.
<i>Interactive effects</i>	Not available.
<i>Where specific chemical data are not available</i>	Not available.
<i>Mixtures</i>	Not available.
<i>Other information</i>	No delayed and immediate effects, and chronic effects from short-term and long-term exposure are available. Numerical measures of toxicity, including acute toxicity estimates are not available.

12: Ecological information

<i>Toxicity</i>	Not available.	<i>Mobility in soil</i>	Not available.
<i>Persistence and degradability</i>	Not available.	<i>Other adverse effects</i>	Not available.
<i>Bioaccumulative potential</i>	Not available.		

13: Disposal considerations

Disposal methods Product may be disposed in sewer or septic systems.

14: Transport information

Not a Dangerous Good.

<i>UN Number</i>	Not applicable.	<i>Packing group</i>	Not applicable.
<i>UN Proper Shipping Name</i>	Not applicable.	<i>Environmental hazards</i>	Not available.
<i>Transport hazard class(es)</i>	Not applicable.	<i>Special precautions for user</i>	Not available.

15: Regulatory information

Safety, health and environmental regulations specific to the product in question

This product is not subject to the Hazardous Products Act (HPA) Part II (Hazardous Products) as per paragraph 12(j); Schedule 1 (Non-Application of Part II).

This restriction states that Part II does not apply in respect of the sale or importation of anything listed in Schedule 1 which includes any pest control product as defined in subsection 2(1) of the Pest Control Products Act, any explosive as defined in section 2 of the Explosives Act, any cosmetic, device, drug or food, as defined in section 2 of the Food and Drugs Act, any consumer product as defined in section 2 of the Canada Consumer Product Safety Act and any wood or product made of wood.

Exempt – Cosmetic

16: Other information

Disclaimer Information contained herein was obtained from sources considered technically accurate and reliable. While every effort has been made to ensure full disclosure of product hazards, in some cases data is not available and is so stated. Since conditions of actual product use are beyond control of the supplier, it is assumed that users of this material have been fully trained according to the requirements of all applicable legislation and regulatory instruments. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries or consequential damages which may result from the use of or reliance on any information contained in this document.

* SDS information is provided to CANUTEC and VelocityEHS via the respective accounts of maxill incorporated.
