

DERMEXTM Formula 3TM ANTIBACTERIAL CLEANSING HAND SOAP

Product Description:

Formula 3 anti-bacterial hand soap is a rich, high lather and mild skin cleanser that kills bacteria and microorganisms. Specially formulated with skin conditioning emollients, Formula 3 is pH balanced to provide gentle, non-irritating and anti-bacterial cleansing.

Directions:

Formula 3 antibacterial hand soap is a skin cleanser that kills bacteria and microorganisms. Apply a dime sized amount of Dermex Formula 3 to wetted hands. Lather across front and back hand surfaces including fingernails and interdigital spaces for 30 seconds. Rinse well with warm potable water and dry using a clean towel or warm air dryer.

External use only. Use only on the hands.

Formula 3 contains 0.2% triclosan.

Please read the MSDS for safe handling information.
