2024 guide

maxill offers Canada's largest selection of toothbrush handle and bristle types. Our wide variety of ergonomic handles paired with unique head shapes and bristle patterns ensures that all of your patient's needs are covered.

maxill brushes feature DuPont End Polished Nylon 612 bristles. Our premium brushes are available in all standard bristle options: **Soft** and **Super Soft**. For patients that require the most gentle bristles, we offer **Feather Soft** and **Silken Soft** bristles. Featuring a feathered or tapered filament, these two bristles offer superior cleaning and provide unmatched protection to delicate gum tissue.
