Autoclavable Suction Mirrors

A revolutionary tool designed to enhance your dental experience. With its advanced high volume suction feature, you can work without disturbing your patients and maintain a clear view, even in the most challenging situations. The mirror's smooth and gentle surface makes it comfortable to use on patients of all ages, and its ability to clear fog and water means you'll never have to worry about a cloudy view. Plus, its retraction ability makes it easy to use on strong tongues and lips, and patients love it! With quality reflection and a crisp, clear image, you'll be able to work with confidence and precision.

Whether you're using it during routine exams or a more complex procedure, it's a **must-have tool** for any dental practitioner.
