

Covermax™-TP BRACKET TRAY PAPER

maxill Covermax Tray Paper is made from quality heavy weight paper to help prevent cross-contamination, providing a barrier between instruments and the surface or tray they're placed on.

- *Impedes the flow of moisture*
- *Minimizes liquid seep-through*
- *Protects trays*
- *Heavy-weight paper*

SIZE B - RITTER 8½" X 12¼"
