steri-sox ID+™

QUICK LABEL SYSTEM

Increase productivity in your office with the **maxill steri-sox ID+ Quick Label System**. This system allows you to label your sterilization pouches and wrap with much greater efficiency than hand writing the required information.

The labels are pre-printed with the required fields and are composed of 2 layers so you can easily remove the top label for your log book. Replacement rolls and ink rollers are available.

The middle row of the labeler features 13 presets making it quick and easy to label the contents when wrapping. The labeler also includes blank space for use when using pouches.
