www.maxill.com

hx2 Hard Surface Disinfectant Towelettes are designed specifically as a general non-acid cleaner and disinfectant for use in hospitals, nursing homes, schools, hotels and restaurants as well as for use in industrial and institutional food processing establishments. It is formulated to disinfect hard non-porous, inanimate surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets.

- Broad Spectrum Bactericide, Virucide, Tuberculocide and Fungicide
- Meets CDC guidelines for intermediate level surface disinfection
- Cleaner and disinfectant in one product; save money, time and storage space
- Compatible with a wide range of hard, non-porous surfaces
- Low lint, 6" x 7" heavy duty, non-woven, pre-saturated wipes
- Packaged in recyclable HDPE tubs with recyclable PP self-closing dispenser lids
- Convenient refill rolls are available to reduce waste and save you money.

Self-Closing Lid

Spring-loaded, flip-close lid provides easy access, prevents dry-out and increases compliance.

Reduce Waste

Convenient refill rolls sold in plastic pouches reduce waste and save money. Our pouches are triple-laminated to help maintain stability until you are ready to use the roll.

Heavy Duty Cloth

Heavy-duty, non-woven cloth design provides uniform liquid release on surfaces and prevents bunching or tearing in the dispenser.

Cleaner and Disinfectant

hx2 Hard Surface Disinfectant Towelettes are designed specifically as a general non-acid cleaner and disinfectant for use in hospitals, nursing homes, schools, hotels and restaurants as well as for use in industrial and institutional food processing establishments.

Mountable Rack

Available wall mountable tub rack (sold separately) facilitates increased compliance by making it easier to have a disinfectant wipe within reach.

Calendar Stickers

Easy-to-read calendar is provided with every refill pouch to easily keep track of when product was opened, making inventory management easier.

HDPE = High Density Polyethylene PP = Polypropylene
