

Search for any maxill SDS using your mobile device.

1: Identification

GHS Product identifier Schiff's eWipes Streak-Free Screen Cleaner

Other means of identification Not applicable.

Recommended use of the chemical and restrictions on use

General purpose cleaner. Use in accordance with manufacturer's instructions.

Supplier's identifier maxill inc., 80 Elm Street, St. Thomas, Ontario, CANADA, N5R 6C8

maxill inc., 500 West Main Street, Cortland, OH, USA, 44410

Telephone: 1-800-268-8633, e-mail: info@maxill.com, Website: www.maxill.com

Emergency phone number Velocity EHS Emergency Response Services

Canada & US: 1-800-255-3924, International: +1-813-248-0585

2: Hazard identification

Classification of the substance or mixture Not applicable.

GHS label elements, including precautionary statements

Signal word Not applicable.

Hazard statement Not applicable.

Prevention Not applicable.

Response Not applicable.

Other hazards which do not result in classification None known.

3: Composition/information on ingredients

Mixtures

| <u>Chemical name</u> | <u>CAS number</u> | <u>Percent (w/w)</u> |
|----------------------|-------------------|----------------------|
|----------------------|-------------------|----------------------|

Not applicable.

No ingredients meet the qualifications to be listed in this section of the SDS.

4: First-aid measures

Description of necessary first-aid measures

Inhalation Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison center or doctor if you feel unwell.

Skin contact Rinse skin with water. Get medical help if irritation develops and persists.

Eye contact Immediately flush eyes with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical help if irritation develops and persists.

Ingestion Rinse mouth. If vomiting occurs, keep head low so that stomach contents doesn't get into the lungs. Get medical help if you feel unwell.

Most important symptoms/effects, acute and delayed

May cause eye irritation. Symptoms may include stinging, tearing, redness, swelling, and blurred vision.

Indication of immediate medical attention and special treatment needed, if necessary

Provide general supportive measures and treat symptomatically.

Search for any maxill SDS using your mobile device.

5: Fire-fighting measures

Suitable extinguishing media Not flammable, not combustible. Use extinguishing measures appropriate to local circumstances and surrounding environment.

Specific hazards arising from the chemical

Combustion products may include: carbon oxides.

Special protective equipment and precautions for fire-fighters

Self-contained breathing apparatus and full protective clothing must be worn in case of surrounding fire.

6: Accidental release measures

Personal precautions, protective equipment and emergency procedures

Keep unnecessary personnel away. For non-emergency personnel and emergency responders: Wear appropriate protective equipment (protective gloves, eye protection) during clean-up.

Environmental precautions Avoid discharge into drains, water courses or onto the ground.

Methods and materials for containment and cleaning up

This product liquid is miscible in water. Spills: Use absorbent material (e.g. vermiculite), and or other non-combustible material and transfer to containers for later disposal in regular trash. Wipe up with absorbent material (e.g. cloth, fleece).

7: Handling and storage

Precautions for safe handling

Do not taste or swallow. Observe good industrial hygiene practices.

Conditions for safe storage, including any incompatibilities

Store in tightly closed container at room temperature.

8: Exposure controls/personal protection

Control parameters Information not available.

Appropriate engineering controls Good general ventilation should be sufficient.

Individual protection measures, such as personal protective equipment (PPE)

Eye/face protection Not normally required.

Skin (hand) protection Not normally required.

Skin (general) protection Not normally required.

Respiratory protection Not normally required.

Thermal hazards Not applicable.

9: Physical and chemical properties

| | |
|--|---------------------|
| Physical state | Liquid |
| Colour | Colourless (liquid) |
| Odour | Faint, neutral |
| Melting point / freezing point | 0°C (approx.) |
| Boiling point, initial boiling point and boiling range | 100°C (approx..) |

Search for any maxill SDS using your mobile device.

| | |
|--|-----------------------------------|
| Flammability | No |
| Lower and upper explosion limit / flammability limit | Information not applicable (N/Ap) |
| Flash point | N/Ap |
| Auto-ignition temperature | Not determined |
| Decomposition temperature | Information not available (N/Av) |
| pH | 7 - 8 |
| Kinematic viscosity | N/Av |
| Solubility | Soluble |
| Partition coefficient: <i>n</i> -octanol/water (log value) | N/Av |
| Vapour pressure | N/Av |
| Density or specific gravity | 1.00 |
| Relative vapour density | N/Av |
| Particle characteristics | N/Ap |

10: Stability and reactivity

Reactivity The product is stable and non-reactive under normal conditions.

Chemical stability Material is stable under normal conditions.

Possibility of hazardous reactions No dangerous reaction is known under conditions of normal use.

Conditions to avoid Keep away from extreme heat.

Incompatible materials None known.

Hazardous decomposition products No hazardous decomposition products are known.

11: Toxicological information

Information on the likely routes of exposure

Inhalation May cause mild irritation.

Skin contact May cause mild irritation.

Eye contact May cause irritation.

Ingestion May cause nausea and vomiting.

Symptoms related to the physical, chemical and toxicological characteristics

May cause drowsiness, nausea, vomiting, allergic respiratory reaction, eye irritation. Symptoms may include stinging, tearing, redness, swelling, and blurred vision.

Delayed and immediate effects and also chronic effects from short- and long-term exposure

Acute toxicity None expected.

Skin corrosion/irritation May cause mild irritation.

Serious eye damage/eye irritation May cause irritation.

Respiratory or skin sensitization

Respiratory sensitization Not expected to cause respiratory sensitization.

Skin sensitization Not expected to cause skin sensitization.

Germ cell mutagenicity No data available.

| | | |
|--|--|----------------------------|
| Carcinogenicity | Not classifiable as to carcinogenicity to humans. | |
| Reproductive toxicity | This product is not expected to cause reproductive or developmental effects. | |
| Specific target organ toxicity - single exposure | Not classified. | |
| Specific target organ toxicity - repeated exposure | Not classified. | |
| Aspiration hazard | Not an aspiration hazard. | |
| Chronic effects | Prolonged inhalation may cause nausea, vomiting. | |
| <i>Numerical measures of toxicity (such as acute toxicity estimates)</i> | Information not available. | |
| <i>Interactive effects</i> | Information not available. | |
| <i>Where specific chemical data are</i> | <i>Information not available</i> | Information not available. |
| <i>Mixtures</i> | Information not available. | |
| <i>Mixture versus ingredient information</i> | Information not available. | |
| <i>Other information</i> | Information not available. | |

12: Ecological information

Toxicity

The product is not classified as environmentally hazardous.

Persistence and degradability

Ingredients and product chemistry are readily biodegradable.

Bioaccumulative potential Information is not available.

Mobility in soil Information is not available.

Other adverse effects

No other adverse environmental effects are expected.

13: Disposal considerations

Disposal methods

Dispose of contents and container in accordance with regulations. Product is not subject to hazardous materials disposal requirements.

14: Transport information

TDG

UN Number Not applicable (N/Ap)

UN Proper Shipping Name N/Ap

Transport hazard class(es) N/Ap

Packing group N/Ap

Environmental hazards No

Special precautions for user Read instructions, SDS and emergency procedures before handling.

Transport in bulk according to IMO instruments N/Ap

15: Regulatory information

Safety, health and environmental regulations specific for the product in question

Information not available.

Search for any maxill SDS using your mobile device.

16: Other information

Disclaimer

Information contained herein was obtained from sources considered technically accurate and reliable. While every effort has been made to ensure full disclosure of product hazards, in some cases data is not available and is so stated. Since conditions of actual product use are beyond control of the supplier, it is assumed that users of this material have been fully trained according to the requirements of all applicable legislation and regulatory instruments. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries or consequential damages which may result from the use of or reliance on any information contained in this document.
