

Zymax™

Enzymatic Cleaning Solution

Ready to Use Spray

Zymax is a versatile, ready to use, enzymatic detergent specially designed for use in all areas where surfaces, fabrics, instruments and vehicles may become contaminated with body fluids such as blood, mucus, feces, urine, sweat, vomit, etc. Zymax enzymes target such organic matter via a natural process that is environmentally safe and ecologically sound. Zymax is not harmful to people, animals, metals, plastics, glass or plumbing.

RECOMMENDED USES

FABRIC: Remove all gross debris from area. Spray area with Zymax and let stand for 5 minutes. Blot dry.

SURFACES: Remove all gross debris from area. Apply Zymax thoroughly to the area and let stand for 5 minutes. Wipe surface dry or rinse with water. **ZYMAX IS NOT A DISINFECTANT.**

DO NOT MIX ZYMAX WITH ANY OTHER CLEANING PRODUCT DURING USE.

STORAGE: Store at room temperature. Keep out of reach of children.

PRECAUTIONS: May cause eye & skin irritation. Avoid breathing mists. If irritation develops and persists, contact a physician.
