tb Minuteman NEX GEN

DISINFECTANT & SPRAY

tb Minuteman NEX GEN Disinfectant is a new addition to maxill's line-up of hard surface disinfectants. When used as directed, tb Minuteman NEX GEN Disinfectant will disinfect in 1- and 3-minutes mycobacteria, small non-enveloped viruses, fungi and an array of pathogenic bacteria. In addition to disinfecting against HIV-1, tb Minuteman NEX GEN Disinfectant has the added benefit of disinfecting against Hepatitis B (DHBV) and Hepatitis C (BVDV) all in 1-minute, to assure significant reduction of risk of cross-infection from these three commonly feared bloodborne viral pathogens in healthcare facilities and emergency vehicles.

The formulation for tb Minuteman NEX GEN Disinfectant has been designed using four active ingredients and supplemental ingredients to work synergistically to create an unparalleled broad-spectrum disinfectant that is ideal for repeated daily use in dental offices, hospitals, nursing homes, and EMS & police vehicles. tb Minuteman Hard Surface Disinfectant may be used on a multitude of hard surfaces to inactivate a broad spectrum of pathogenic microorganisms.

- Broad Spectrum Bactericide, Virucide, Mycobactericide and Fungicide
- Meets CDC guidelines for intermediate level surface disinfection
- Cleaner and disinfectant in one product; save money, time and storage space
- Compatible with a wide range of hard, non-porous surfaces
- Available in a convenient bottle with sprayer and an economical refill jug

Designed with *You* in mind!

Product Availability

946 mL spray bottle	#61155
2 L jug	#61152
