

## Safety Data Sheet

### Section 1: Identification

#### GHS Product Identifier

##### Product Name

Smart Mouth Original

- Product Code

SM-109, SM-130 & SM-130BP

##### Details of the supplier of the safety data sheet

- Manufacturer

Continental Manufacturing Chemist, Inc.  
912 S State Street  
Madrid, IA 50156  
www.cmchemist.com  
(515)795-2000

##### Emergency telephone number

Manufacturer

(515)795-2000

### Section 2: Hazard Identification

Components used to prepare this product are all in compliance with the Cosmetic Toiletry Fragrance Association (CTFA) or U.S. Pharmacopoeia (USP), National Formulary (NF), Food Chemical Codex (FCC).

All components are considered non-hazardous at the levels used.

### Section 3: Composition/Information on Ingredients

Ingredients

Water >90%

### Section 4: First-Aid Measures

Health Hazard

Not considered to be hazardous

Carcinogenicity

NA

NTP

NA

Monographs

NA

OSHA

NA

Sign/Symptoms of Exposure

NA

Medical Conditions Aggravated

None known

Emergency and Fire Aid Procedure.

Eye contact: flush with water

Ingestion: contact physician

## Section 5: Fire-Fighting Measures

|                          |                                         |
|--------------------------|-----------------------------------------|
| Flash Point              | Solution One: NA<br>Solution Two: >100C |
| Flammable Limits         | NA                                      |
| Extinguishing Mode       | NA                                      |
| Fire Fighting Procedures | NA                                      |
| Fire/Explosion Hazard    | NA                                      |

## Section 6: Accidental Release Measures

Can be slip hazard. Clean up with soapy water and let area dry before walking on

## Section 7: Handling and Storage

### Precautions for safe handling

Normal handling consistent with good manufacturing practices

### Conditions for safe storage, including any incompatibilities

|         |                     |
|---------|---------------------|
| Storage | Keep from freezing. |
|---------|---------------------|

## Section 8: Exposure Controls/Personal Protection

N/A (water).

## Section 9: Physical and Chemical Properties

|                     |                                |
|---------------------|--------------------------------|
| Boiling Point       | 99 degrees C                   |
| Vapor Pressure      | $\leq$ vapor pressure of water |
| Solubility in Water | Soluble in water               |
| Specific Gravity    | Solution One: 1.03             |

Solution Two: 1.08

Melting Point NA

Evaporation Rate < 1

Appearance and Color Solution 1: Clear Colorless Liquid

Solution 2: Clear Green Liquid

## Section 10: Stability and Reactivity

### Stability

Stable

## Section 11: Toxicological Information

Not toxic (water).

## Section 12: Ecological Information

Not known to be hazardous.

No potential health effects identified.

Not toxic (water).

## Section 13: Disposal Considerations

### Waste treatment methods

- **Product waste**

Dispose of content and/or container in accordance with local, regional, national, and/or international regulation

- **Packaging waste**

Dispose of content and/or container in accordance with local, regional, national, and/or international regulations.

## Section 14: Transport Information

### Special precautions for user

Keep from freezing.

## Section 15: Regulatory Information

N/A (water).

## Section 16: Other Information

**Last Revision Date**

09/08/2015

**Preparation Date**

10/30/2014

**Disclaimer/Statement of Liability**

The information contained herein is believed to be accurate but is not warranted to be so. Data and calculations are based on information furnished by the manufacturer of the product and manufacturers of the components of the product. Users are advised to confirm in advance of need that information is current, applicable and suited to the circumstance of use. Vendor assumes no responsibility for injury to vendee or third persons proximately caused by the material if reasonable safety procedures are not adhered to as stipulated in the data sheet. Furthermore, vendor assumes no responsibility for injury caused by abnormal use of this material even if reasonable safety procedures are followed. Any questions regarding this product should be direct to the manufacturer of the product as described in Section 1.
